CALL FOR 2025 Exhibition Proposals

The Peachland Community Arts Council is currently accepting exhibition proposals for 2025.

Exhibitions are juried by the Gallery Exhibition Committee. The Peachland Art Gallery accepts proposals from individual and groups of artists, curators, and non-profit organizations. Applicants may submit more than one proposal but will not have multiple proposals selected. Applicants do not need to be PCAC members to submit a proposal. However, successful applicants must be members at the time of their exhibitions. Each displaying artist must purchase an arts council membership.

The Gallery charges 30% commission on sales. PST is collected.

Each exhibition runs approximately four to six weeks. Artists are responsible for having their work ready to hang at the time of their exhibition. Peachland Art Gallery will provide overall exhibition coordination, which includes curatorial direction, preparatory assistance, and promotion.
